Hadeeqah

Financial Analyst

hello@example.com linkedin.com/in/nurhadeeqah

Profile

Financial analyst with five years of experience in budgeting, forecasting and investment research. I turn complex data into clear recommendations for senior management and clients.

Experience

Financial Analyst, Company Name
2023 to present

- Own the monthly forecast and variance reporting for three business units.
- Built a 12-month rolling cash flow forecast that removed surprise shortfalls across 14 outlets.
- Present findings and recommendations to senior management each quarter.

Junior Analyst, Company Name
2021 to 2023

- Prepared annual budgets and supported external audits.
- Automated recurring reports, saving the team about 10 hours a week.

Selected projects

Equity research: renewable energy
Valued eight listed companies using DCF and comparables; wrote a 20-page report.

Personal budgeting toolkit
Spreadsheet system used by 300 first-time investors to plan monthly savings.

Education

BSc Accounting and Finance, University Name
2017 to 2021
Graduated with honours. Led the university investment society.
